

Smiles Guaranteed!

No one throws a great picture of themselves away, especially when they're on the cover of a magazine! Here's a great crowd pleaser that drives traffic and builds your brand. Choose from our standard "spoof" covers and we'll add your key branding ingredients. You decide the magazine cover, the text and the background image. We put it all together!

Choose from our convention city "famous landmarks" library or provide your own image.

CoverFauxto comes with two people and all equipment, including a complete backup system, ready to print full-color photos on-demand. Fast setup and customization. Call today!
