

Trade Show Lead Solutions

This changes everything!

# Trade Show Lead Solutions on iPad®

*Leads, Lit, Links — the power is in your hands*

- Empower your booth staff to capture more sales-ready leads in less time
- Get quick user adoption with the easy to use intuitive iPad® interface — your booth reps will love it
- Instant access to booth presentations, product collateral, and videos on the same system
- Verify contact information from the badge scan
- Monitor lead quality and quantity through real-time lead reports by booth rep, product interest, and much more
- Provide an export to your CRM data team that meets their requirements — like Salesforce.com
- Wireless, Internet optional

*Call for a consultation or quick demo today.*
